

# DOC-U-DOSE<sup>®</sup> ADVANTAGES

- ◆ Increases residents independence, dignity and quality of life
- ◆ **Safety – Reduces medication errors**
- ◆ Compliance to drug therapy
- ◆ Cuts Staff/Nursing time
- ◆ Closes loop between physician, pharmacy, patient and facility
- ◆ Overall cost savings to facility
- ◆ Pharmacy getting entire medication profile (prescribed and OTC medication)
- ◆ Retaining patients for a longer period of time
- ◆ Promotes good medical care
- ◆ **Eliminates facility/nursing liability**
- ◆ Eliminates regulatory issues for facility
- ◆ Easy to use for patients and nursing
- ◆ Business builder for facilities (getting customers and residents and retaining them for a longer period of time)
- ◆ Allow aids to handle meds vs. skilled nursing
- ◆ **Saves nursing costs by reducing the time spent on medication administration**

\*Example from assisted living facility:

Utilizing Doc-U-Dose vs. blister/punch card saved at minimum 6 hours per day on medication management to residents
